The customer thereafter filed a Civil Suit on 19-1-1995 praying for temporary mandatory in junction against the bank with direction to the bank to allow operations in the account which was rejected by the Lo wer Court on 6.2.1995. The customer preferred an appeal before the District Court on 10-2-1995 with similar prayers which was granted by the District Court. The Bank has filed a revison petition before the Nagpur Bench of the Bombay High Court and the same is pending hearing. As per the directions of the District Court, the said account is in operation. Hence the question of contempt of Court does not arise. The matter is before the High Court and hence subjudice.
